Source: Produced by the North Carolina Institute of Medicine and the Cecil G. Sheps Center for Health Services Research (www.nciom.org and www.shepscenter.unc.edu)

Estimates rounded to nearest 1000.

Rank: "High" denotes 25 counties with the highest percent uninsured. "Mid-High" next 25 highest, "Mid-Low" next 25 highest, and "Low" denotes the 25 counties with lowest percent non-elderly uninsured.

The North Carolina Institute of Medicine (NCIOM) serves as a non-political source of health policy analysis and advice in North Carolina. The NCIOM is an independent, quasi-state agency that was chartered by the North Carolina General Assembly in 1983 to provide balanced, nonpartisan information on issues relevant to the health of North Carolina's population. To meet its mission, the NCIOM convenes task forces of knowledgeable and interested individuals to study these issues and develop workable solutions. For more information, visit www.nciom.org.

For more information on this publication or the NCIOM, contact Jennifer Hastings, Director of Communications, at 919.401.6599, ext. 22 or jennifer_hastings@nciom.org.
