

Community Health Collaboration

Roanoke Valley Community Health Initiative

Michelle Puckett – RV-CHI Chair

Audrey Hardy Community Health Coordinator

Ruth Gee – Partners In Faith Chair

September 25, 2017

Mission

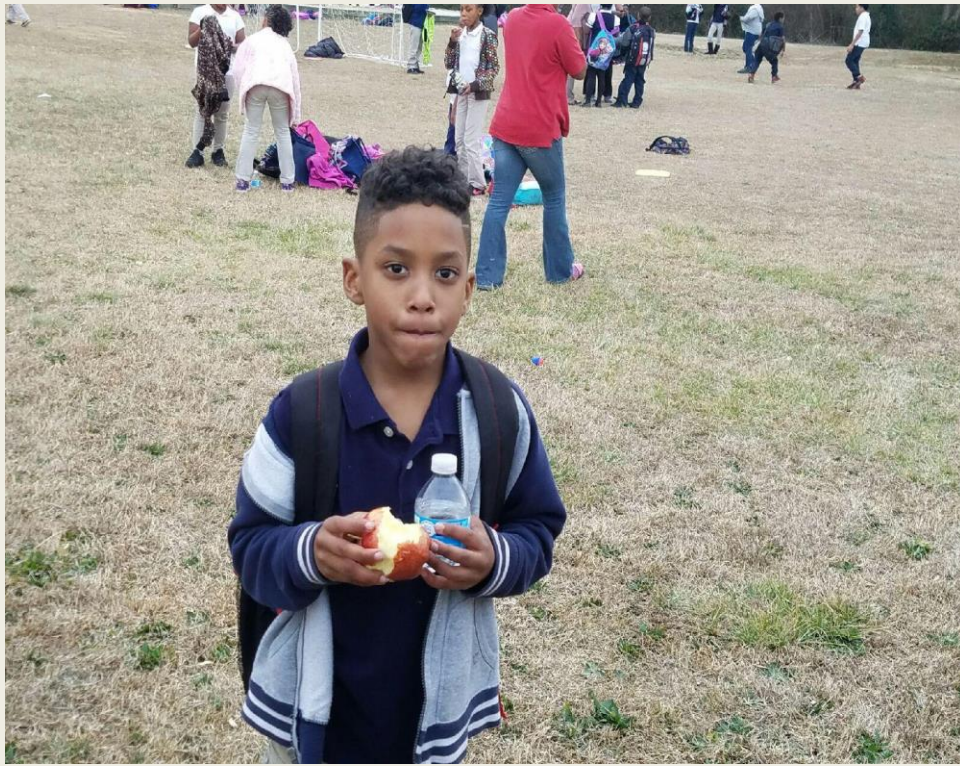

To promote healthy living through education, empowerment and health access.

Vision: Roanoke Valley Families and individuals are empowered to lead healthy lifestyles.

Project Overview

- Roanoke Valley Community Health Initiative (RV-CHI) kicked off the “Get Fit, Stay Fit Roanoke Valley” campaign in August 2014.
- A Comprehensive 5 year effort to engage residents across Halifax and Northampton counties through education, physical activity and recreation at local parks.
- Funded by Kate B. Reynolds Charitable Trust.
- Investment- part of a larger infusion of more than \$1.2 million in Halifax County to combat unhealthy weights in children and the long-term initiative, Healthy Places N. C. to improve health and health care in rural financially disadvantaged counties in N. C.

**Get Fit,
Stay Fit
Roanoke
Valley**

Goals and Objectives

- **Goal** – To empower all residents in the Roanoke Valley to adopt healthier lifestyles, access preventative services, and take positive actions to improve health in our communities
- **Objectives**
 - Promote healthy living through education, empowerment, and health access in the Roanoke Valley.
 - Improve access to healthy, affordable foods and opportunities for exercise and physical activity.
 - Implement and expand evidence-based programs and policies
 - Ensure families & individuals have the opportunity to lead healthy and productive lives.

Halifax Regionals Support

- Halifax Regional is a not-for-profit, community-based organization.
- Licensed for 204 beds
- Our purpose is to serve the people of our region with the highest possible level of quality medical care.
- Halifax Regional is located in the beautiful city of Roanoke Rapids
- A leading employer in the area, contributing to the economy, health, and quality of life in this growing region.
- Patients come from Halifax, Northampton and Warren counties in North Carolina and Mecklenburg, Brunswick and Greensville in Virginia, so we serve a wide region along the I-95 corridor.

Mission and Vision of Halifax Regional

- **Mission – Halifax Regional places patients first by providing excellent and compassionate healthcare.**
- **Vision: Halifax Regional will be a leading partner in a healthier community**

Collective Impact of RV-CHI

- Halifax Regional serves as the anchor organization for the RV-CHI.
- Halifax Regional initially helped convene partners for the RV-CHI.
- The organization formalized, & became a collaborative force with a significant collective community impact .
- Encourages continuous communication for learning and open dialogue.
- Has a sustainable infrastructure and solid base for a long term future.
- Halifax Regional serves as the fiduciary agent for the RV-CHI.
