

# NORTH CAROLINA CHILD HEALTH

# REPORT CARD 2018

## DATA SOURCES AND REFERENCES

### DEMOGRAPHICS

#### Data Sources:

**Live Births:** North Carolina Department of Health and Human Services, State Center for Health Statistics. Selected Vital Statistics for 2016 and 2012-2016. Available online at: <http://www.schs.state.nc.us/data/vital.cfm>.

**Child Population:** U.S. Census Bureau. American Community Survey, Single-Year Estimates 2016 and 2012, Table S0201: Selected Population Profile in the United States. Available online at: <https://factfinder.census.gov>.

**Children's Health Status:** National Survey of Children's Health 2016 and 2011/2012. Data query from the Data Resource Center for Child and Adolescent Health website. Available online at: <http://childhealthdata.org/>.

### FINANCIAL SECURITY, OPPORTUNITY, AND HEALTH

#### References

1. AAP Council on Community Pediatrics. Poverty and Child Health in the United States. *Pediatrics*. 137(4): e20160339 (2016).

#### Infographic Data Sources:

**Health Status by Income:** National Survey of Children's Health 2016. Data query from the Data Resource Center for Child and Adolescent Health website. Available online at: <http://childhealthdata.org/>.

**Children in Low-Income Homes by Race/Ethnicity:** Population Reference Bureau, analysis of data from the U.S. Census Bureau, 2005 through 2015 American Community Survey. Data provided by National KIDS COUNT. Available online at <http://datacenter.kidscount.org/>.

## HEALTHY BIRTHS

### **Data Sources:**

***Women with Health Insurance Coverage:*** North Carolina Department of Health and Human Services, State Center for Health Statistics. 2015 and 2011 Behavioral Risk Factor Surveillance System, Core State Preconception Health and Health Care Indicators, Percentage of women who currently have some type of health care coverage. Available online: <http://www.schs.state.nc.us/data/preconception/>.

***Intendedness of Pregnancies:*** North Carolina Department of Health and Human Services State Center for Health Statistics. North Carolina Pregnancy Risk Assessment Monitoring System Survey 2015 and 2011, Intendedness of Pregnancy. Available online at: <http://www.schs.state.nc.us/data/prams/survey.htm>.

***Babies Born to Women Who Smoke, Early Prenatal Care, Pre-Term Birth, and Low Birthweight:*** North Carolina Department of Health and Human Services, State Center for Health Statistics. North Carolina Infant Mortality Report, Table 10: Risk Factors and Characteristics for North Carolina Resident Live Births, 2016 and 2012. Available online at: <http://www.schs.state.nc.us/data/vital/ims/2016/>.

***Pregnancy-Related Mortality:*** North Carolina Department of Health and Human Services, State center for Health Statistics. Trends in Maternal Mortality Statistics, Table 3: Pregnancy-Related Mortality by Race and Ethnicity, North Carolina Residents 1999-2013. Available online at: <http://www.schs.state.nc.us/data/maternal/>.

***Infant Mortality:*** North Carolina Department of Health and Human Services, State Center for Health Statistics. 2016 North Carolina Infant Mortality Report, Table 4: North Carolina Resident Infant Death Rates and Annual Percent Changes by Race/Ethnicity: 2016. Available online at: <http://www.schs.state.nc.us/data/vital/ims/2016/>.

***Postpartum Checkup:*** North Carolina Department of Health and Human Services, State Center for Health Statistics. North Carolina Pregnancy Risk Assessment Monitoring System Survey 2015 and 2012. Postpartum mom care. Available online at: <http://www.schs.state.nc.us/data/prams/survey.htm>.

***Breastfeeding:*** Centers for Disease Control and Prevention, National Immunization Survey. Rates of Any and Exclusive Breastfeeding among Children Born in 2011 and 2014: Percentage of infants who were exclusively breastfed through 6 months. Available online at: [https://www.cdc.gov/breastfeeding/data/nis\\_data/results.html](https://www.cdc.gov/breastfeeding/data/nis_data/results.html).

***Teen Births:*** North Carolina Department of Health and Human Services, State Center for Health Statistics. North Carolina Resident Fertility Rates: Females Ages 15-19 by Race/Ethnicity, 2016 and 2012. Available online at: <http://www.schs.state.nc.us/data/vital/pregnancies/2016/>.

***Repeat Teen Births:*** North Carolina Department of Health and Human Services, State Center for health Statistics. Basic Automated Birth Yearbook, North Carolina Residents 2012 and 2016. Table 1: North Carolina Resident Births by Age of Mother and Birth Order. Available online at: <http://www.schs.state.nc.us/data/vital.cfm>.
