Call in number: 877-951-6965
Leader/host passcode: 96953731
Participant passcode: 77582088

Purpose of today's meeting: to learn about new work on implementation teams; to review recommendations and discuss action steps for process; identify next components around which to develop recommendations

INTRODUCTIONS

REVIEW OF CDC LOGIC MODEL AND EBP WORKING GROUP STRATEGY AND DISCUSSION

Strategy: Increase support for aligning evaluation and RFP processes across agencies and organizations; develop proposal for aligned RFP and evaluation process.

Goals identified: wiser spending of resources, enabling programs to better serve their clients or serve additional clients, ease data sharing, and encourage broader community attribution.
