**Small Group Discussion**

For each strategy listed above, please discuss:

What is being done in this area now? What are additional points of opportunity?

What is feasibility for progress on implementation by 2021? Timeline?

Lead agency for implementation

Alignment (does this align with existing OAP strategy and/or other strategies in statewide plans/initiatives?)

Metrics

Process

Outcome

Needed resources (funding amounts, funding sources, workforce development, other)

What are other barriers to implementing this strategy?

Are there any unintended consequences of implementing this strategy?
