Website

The screenshot shows a web browser displaying the NCIOM website. The address bar shows the URL `nciom.org/healthy-north-carolina-2030/`. The browser's tab bar contains several open tabs, including 'Community Connect', 'MI-ICD-10-Codes-for', 'Dashboard - NCIOM', 'Impact of mandate', 'Section 5. Collective', 'Pathways HUB frame', 'A Framework for Me', 'ACH Evaluation Fram', 'Events Calendar | Key', 'Resources for ACC TA', 'Palliative Care', and 'Free stock photos - P'. The website header features the NCIOM logo on the left and a navigation menu on the right with links for 'Events', 'News', 'Blog', 'Directions', and a 'Search' button. Below the navigation, there are four main menu items: 'ABOUT US', 'OUR WORK', 'NC HEALTH DATA AND RESOURCES', and 'PUBLICATIONS'. The main content area is titled 'Healthy North Carolina 2030' and includes a photograph of a person's legs walking on a path. The text below the photo describes the project's goals and mentions its supporters: the Duke Endowment, Kate B. Reynolds Charitable Trust, and the Blue Cross Blue Shield Foundation of North Carolina. A 'Back to Task Forces' link is provided at the bottom of the text. Below the main content, there is a 'Project Leadership' section with a sub-section for 'TASK FORCE CO-CHAIRS'. This section lists two individuals: Ronny Bell, PhD, Professor and Chair of the Department of Public Health and Associate Director of the Center for Health Disparities at East Carolina University; and Jack F.A.V Cecil, MIM, President of Biltmore Farms, LLC. To the right of the leadership section is a dark blue box labeled 'Related Links'. The page also features green circular navigation buttons labeled 'Last' and 'Next' on the left and right sides, respectively.

ABOUT US OUR WORK NC HEALTH DATA AND RESOURCES PUBLICATIONS

Healthy North Carolina 2030

The Healthy North Carolina 2030 project brings together experts and leaders from multiple fields to inform the development of a common set of public health objectives and targets for the state over the next decade. These objectives will serve as the population health improvement plan for the North Carolina Division of Public Health. With a focus on health equity and the overall drivers of health outcomes (health behaviors, clinical care, social and economic factors, and the physical environment), these objectives and targets will help drive state and local-level activities, provide a springboard for collaboration and innovation, and develop a new vision for public health in our state to improve the health and well-being of all people of North Carolina. This project is in collaboration with the North Carolina Division of Public Health and is supported by the Duke Endowment, Kate B. Reynolds Charitable Trust, and the Blue Cross Blue Shield Foundation of North Carolina.
