Coordination
(agreements to be established)

Pool of Programs:

Nurse Family Partnership, Strengthening Families, Incredible Years, Healthy Families, Circle of Parents, FAST, Nurturing Program *(various stages of inquiry by partners)*

Intermediate Outcomes:

Children have a medical home.
Mothers have healthy pregnancies.
Parents demonstrate child development knowledge and effective parenting skills.
Parents provide care that promoted attachment.
Parents receive increased education and employment support.
Parents utilize family planning services.
Parents receive effective treatment for maternal depression and other mental illness.
Parents receive appropriate treatment and services for domestic violence.
Parents receive appropriate treatment and support for substance abuse.
Parents receive and provide appropriate social support.
(issues for further discussion, such as measures)

Population Level Impact:

Improved School Readiness
Reduction of Child Maltreatment

Additional Organizations

Department of Juvenile Justice and
Delinquency Prevention

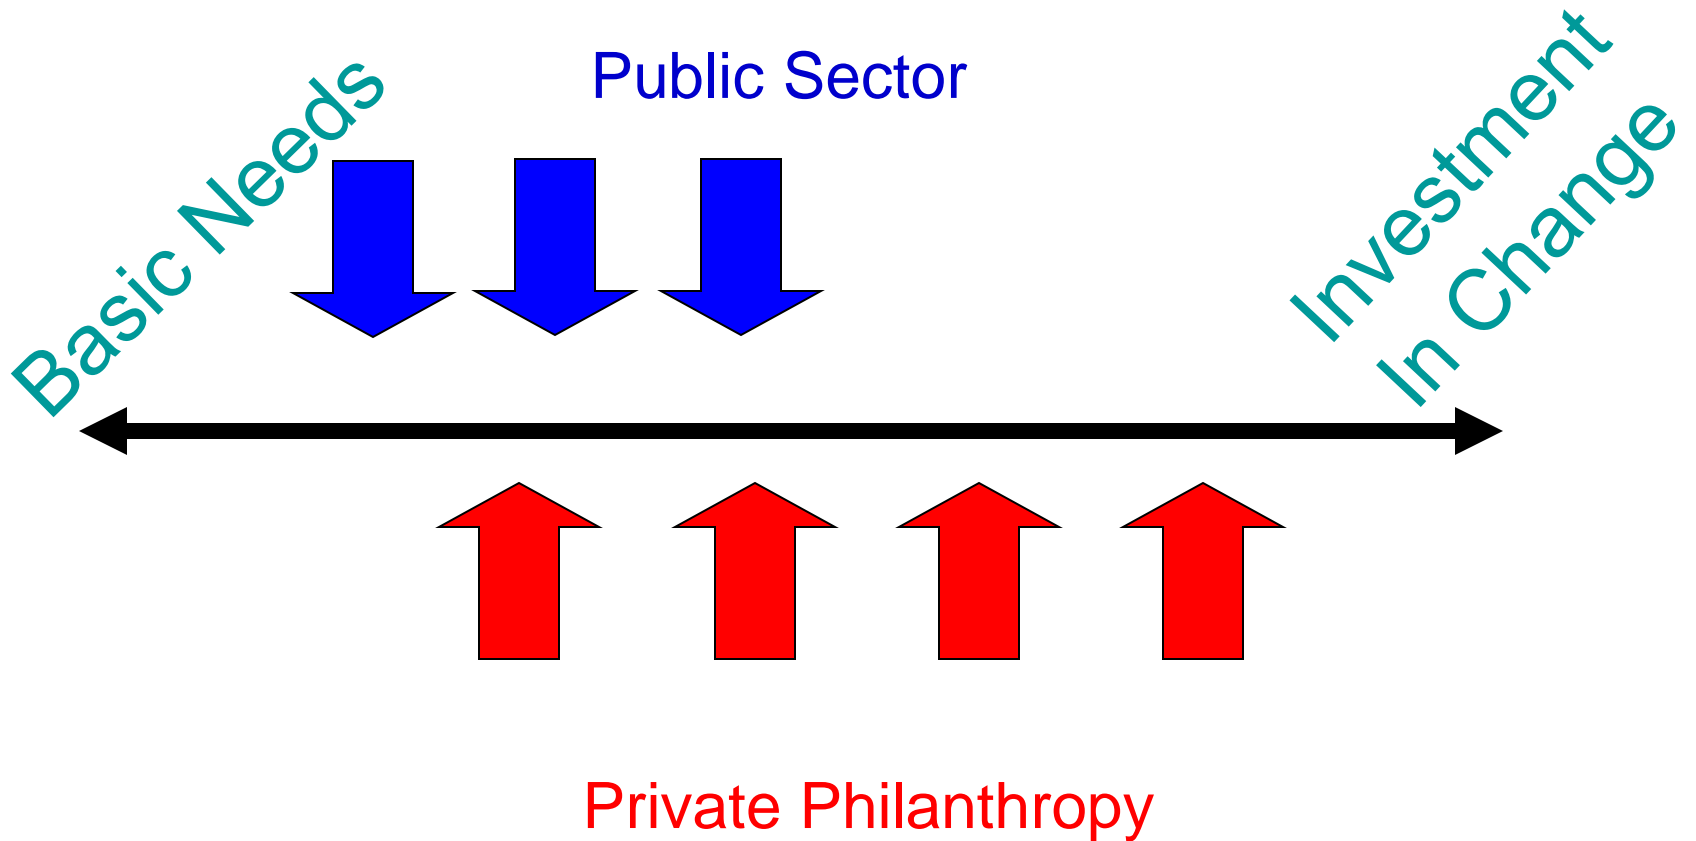

NC Office of School Readiness (NC Head Start
Collaboration Office)

The Blue Cross-Blue Shield Foundation of NC

The NC Governor's Crime Commission

NC Division of Child Development

FUNDING CONTINUUM

Specific Aims

- One portal of entry for any agency/community that is interested in replicating an Alliance-sponsored program.
- Common tools to assess agency and community readiness for implementing the program.
- Set of implementation guidelines that all funders agree to uphold.
- One evaluation process and set of evaluation measures.
