

Prenatal Care in NC

Cherie Ashe

Former Teacher, Wife, Mother of 3

Hi, daddy!
I can't wait to meet you!

I love you!!!

MEDICAID

Treatment while on Medicaid...

- I had always had insurance so, this was new.
- I felt like they looked at me as less of a person and like they didn't want to deal with me.
- They don't take as much time with you if they see you have Medicaid.
- The quality of care seemed less than what I had experienced in the past.

was never discussed.
