

NCIOM WORK GROUP ON ACES AND OPIOID MISUSE PREVENTION

JANUARY 22, 2019

9:00 AM TO 12:00 PM

**630 DAVIS DRIVE
MORRISVILLE, NC 27560**

9:00 – 9:20 INTRODUCTIONS AND BACKGROUND

Michelle Ries, MPH
Project Director
North Carolina Institute of Medicine

9:20 – 9:30 WHAT IS OUR TASK AT HAND?

Catherine Joyner, MSW
Executive Director
Child Maltreatment Prevention Leadership Team
Essentials for Childhood
Division of Public Health, Women's and Children's Health Section
North Carolina Department of Health and Human Services

9:30 – 10:00 OPIOID ACTION PLAN: REVIEW

Elyse Powell
North Carolina Department of Health and Human Services

**10:00 – 10:30 ADVERSE CHILDHOOD EXPERIENCES AND SUBSTANCE USE: REVIEW
OF DATA AND ISSUES**

Meghan Shanahan, Ph.D.
Research Scientist, Injury Prevention Research Center
Research Assistant Professor, Department of Maternal and Child Health
University of North Carolina at Chapel Hill

10:30 – 11:30 SMALL GROUP DISCUSSION

Goal: to identify strategies that address risk and protective factors for preventing opioid misuse/overdose and its relationship to adverse childhood experiences (ACEs). These strategies will be considered by DHHS leadership for inclusion in the revised Opioid Action Plan in spring 2019.

See Evaluation Worksheet for small group instructions.

11:30 – 11:55 REPORT BACK AND IDENTIFICATION OF PRIORITIES

In this session, we will discuss the common elements emerging from our small group work, and begin to identify priorities (or areas of prioritization) to be developed further by NCIOM staff as recommended strategies for consideration in revised Opioid Action Plan.

11:55 – 12:00 REVIEW OF NEXT STEPS
Michelle Ries
