Creating and Maintaining a Response Profile

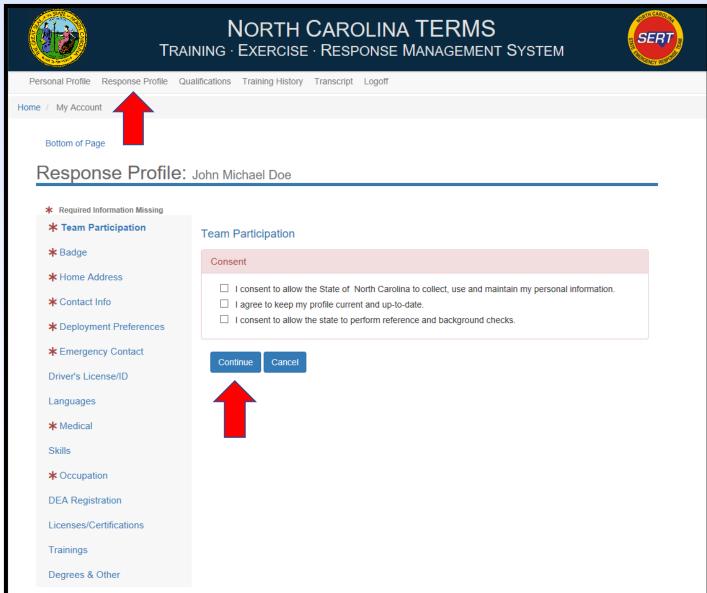

RESPONSE PROFILE

Click on "Response Profile" and answer the consent statements. Once the consent statements have been answered, click "Continue".

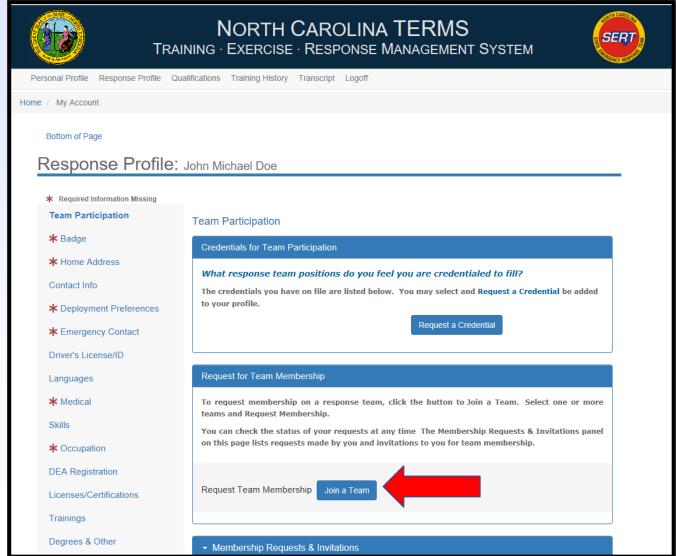

To request membership on a response team, click "Join a Team". Some teams elect to allow for volunteers to request membership through the system. For those teams, you can request to join through the system here. Each program maintains their own membership process and requirements.

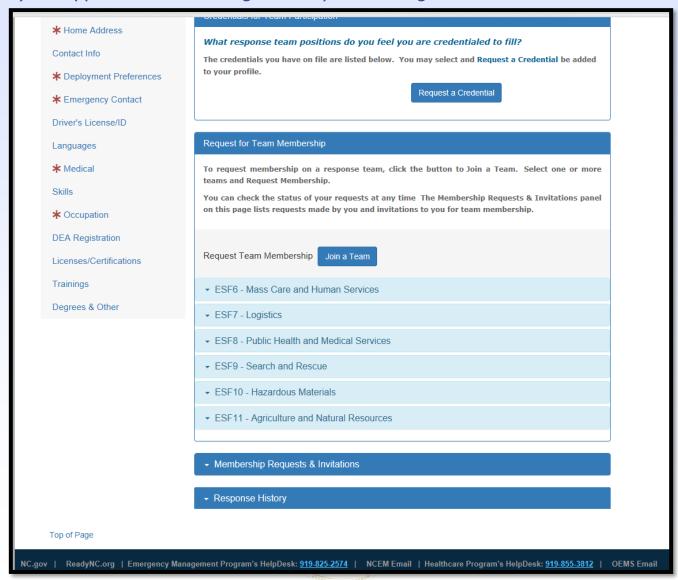

Once you have clicked "Join a Team" a dropdown list of programs and teams by Emergency Support Function (ESF) will appear. Teams are organized by ESF throughout TERMS.

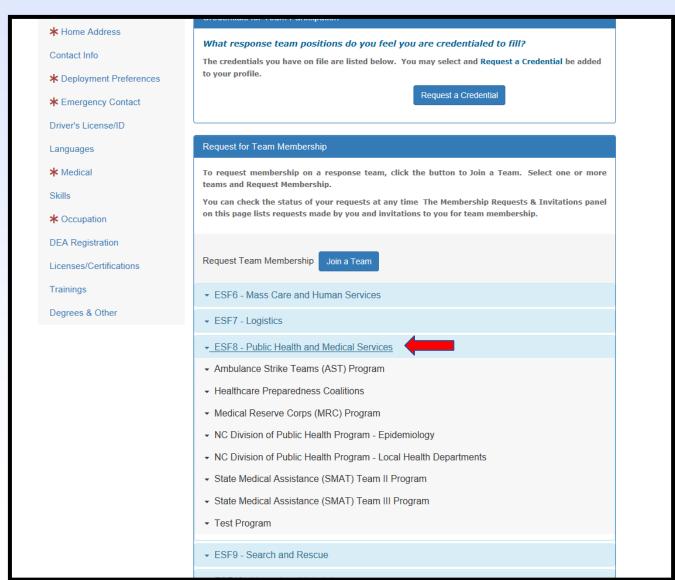

Click on one of the ESF categories to reveal programs within the ESF that you can request to join.

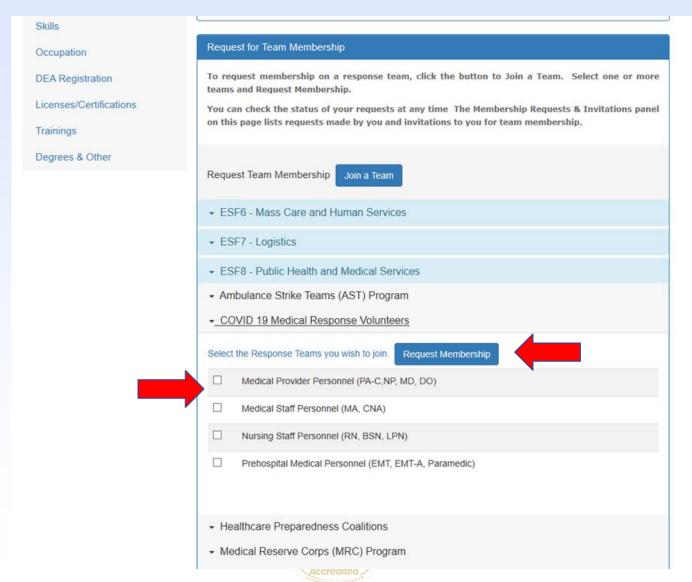

Select the team you are requesting to join from the dropdown box and click "Request Membership". This will automatically send your request for review by the team manager(s).

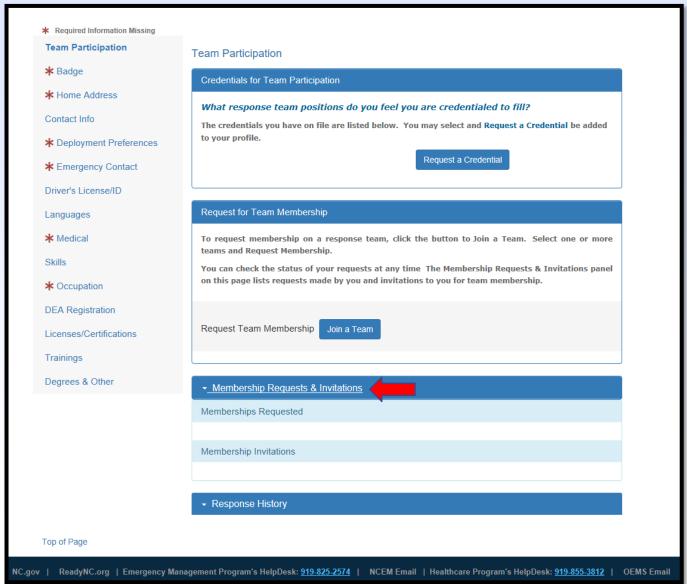

After requesting membership on the selected team(s), your requests will be found underneath "Membership Requests & Invitations". Invitations to join teams can also be found here.

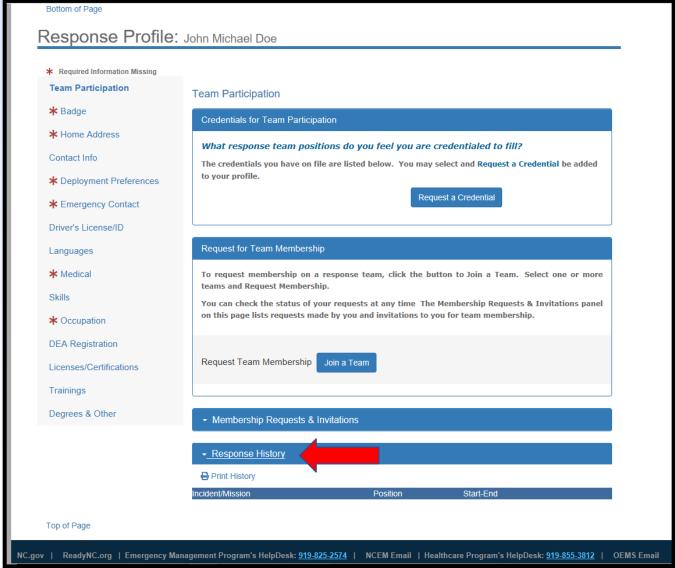

To see your response history, click on "Response History". This will give you the option to print your response history and see the Incident/Mission, Position, and Start-End of each event responded to.
